Hygiene Measures

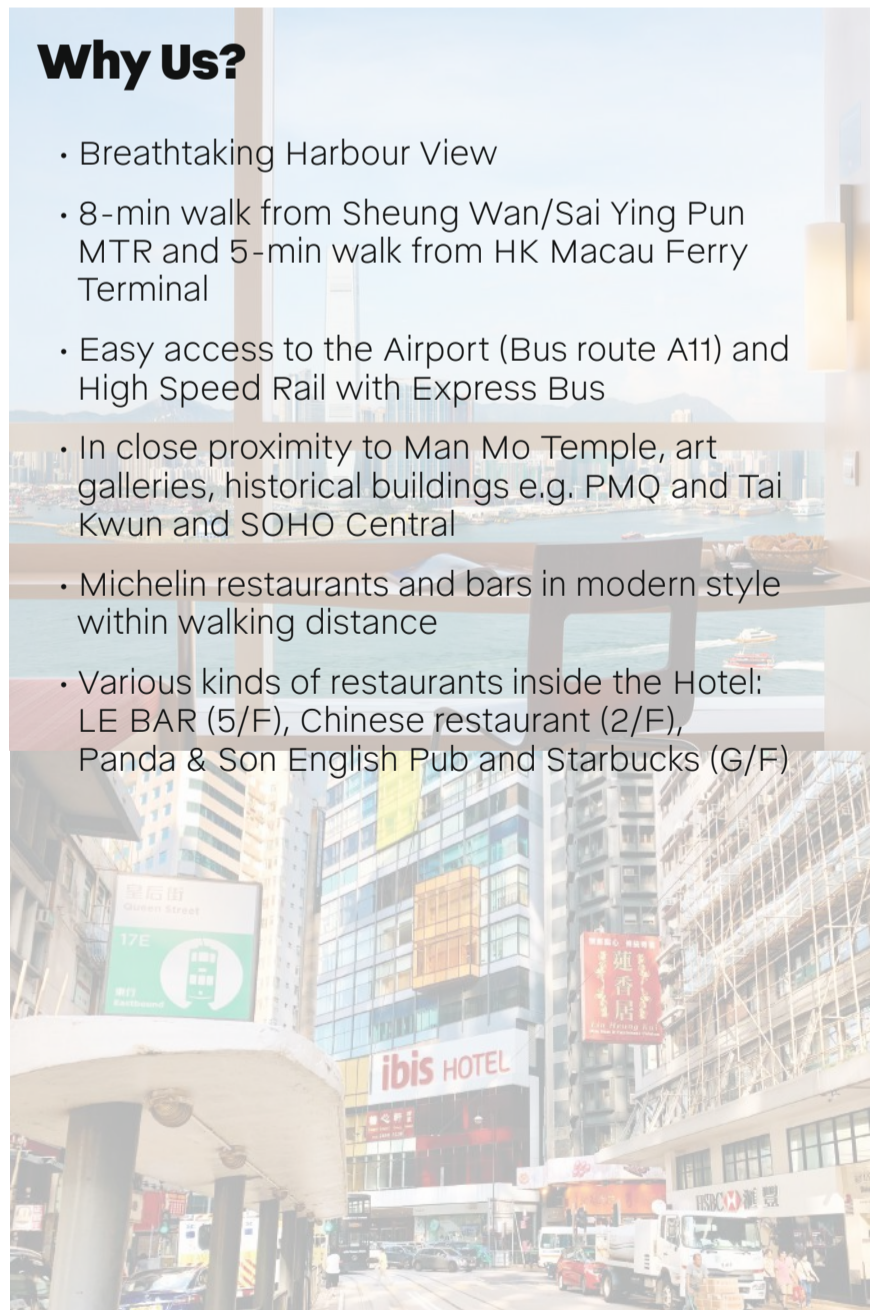

In response to the concern for the safety and well-being of guests, our Hotel has implemented ALLSAFE - Cleanliness & Prevention Label. More stringent cleanliness standards and measures have been developed with the support of Bureau Veritas, a recognized world leader in testing, inspections and certification services.

- All guests are asked to perform a temperature check before check-in with our digital contactless thermal tablet and are required to wear mask.
- Our lifts including all buttons and surface are disinfected every 2 hours.
- Every 3 hours, we sanitize the hotel lobby and public area.
- Hand sanitizers are provided at all of our counters in the reception area.
- We sanitize all furniture and walls in every guest room daily.
